Our Learning

Language Arts:

We are diving into our first social studies integrated unit on "Community Helpers!" Students will be learning about different community helpers and how they affect our community.

Writing:

We will be writing informational paragraphs about important individuals within our communities (i.e. firefighters, doctors, etc.). We will be focusing on using capital letters at the beginning of our sentences and correct punctuation at the end of our sentences.

Math:

We will be working on our Data and Graphing unit. See attached newsletter for more information!

Reminders

Please return Back to School Night paperwork, if you have not done so already!

Please fill out the Student Information Sheet and sign up for the Remind app. Information can be found on my website!
