Week 4

From the Teacher

It was wonderful to have our **grandparents** visit us in the classroom today. Those grandparents who were unable to attend were held in our hearts!

Bring your best smiles to school on Friday, September 21st for **Picture Day!** You received information in Wednesday's Dolphin Folder.

Our wonderful **PTO** is going **GREEN!** Please take a moment to register your child's name with your teacher's name on the PTO website.

Visit lacostameadowspto.org to sign up. On the new PTO website, you can order spirit wear, donate to the WAVE Fund, purchase tickets, and sign up to volunteer for all PTO events. Additionally, you can check the school event calendar, and complete forms and submit money without sending it into the office. Register your family **TODAY!!!**

Just a reminder to P.M. Kindergarten pick-up: All Kindergarten students **must be picked up on the Mainland, not the Island.**

Upcoming Events

Learning Targets

SOCIAL EMOTIONAL DEVELOPMENT: We listen by looking at the person, listening with our ears, being quiet, and having a still body. Also, we 'Live the Dolphin Way' by following the LCM rule matrix: BE SAFE, BE RESPECTFUL, BE RESPONSIBLE

SPECIALS: Music, P.E., Art, Library. The Science Garden teacher position has been filled! *Science Garden will begin the week of September 25th.*

ELA: Benchmark Unit 1 - Rules at Home and School, letter writing practice

MATH: Numbers 1-10

Things to Practice at Home

- Read **at least** 15 minutes per night with your child.
- Practice writing your name with an uppercase letter at the beginning and the following letters as lowercase.
- Practice counting to 100 by 1s and by 10s.
- Look for the letters of the alphabet in your child's environment. Practice making the sounds that each letter makes.
- Practice reading sight words: I, like, we, the
